We care about your boat, whether it's afloat in our marina or ashore in the yard. Our skilled Boat Care team at Deacons can help reduce the faff of boat ownership by managing the repairs for you. Ditch the DIY and let us do the dirty work.

Whether you'd like someone else to do the antifouling this year, or you need a bow thruster fitting or your keel bolts checking, we can handle every stage of the project for you. We're a single point of contact so you only need to make one call. Using our own boat builders and trusted contractors, we can deliver everything your boat needs, including painting, antifouling and Coppercoat, hull repair, seacocks, interior fit-out, keel and rudder replacement, engines and propulsion, electrics and electronics, masts and rigging, sails and covers through to a full refit.

To talk about how we can care for your boat, call us on 02380 402253
