BOAT YARD  
from 1 Oct 2019

### Lift services

Boat lifts include a pressure scrub. Lift, Scrub, Hold & Launch is a service up to one hour in the slings, suitable for surveys and quick anode changes. Alternatively lift to transport or to our yard for block-off. The Racing Scrub is a quick lift, scrub and relaunch with no time in the slings for any work. Heavy fouling will incur an additional charge.

### The small print

Rates are for monohulls up to 15.5m LOA, but some multihulls and boats to 22cm can be accommodated - please ask our Boat Care Manager for a quote. Rates are calculated on the length overall in metres, including overhangs. Changes to agreed lift and launch dates or to services quoted will incur additional costs. All invoices must be paid in full prior to launch. Boat owners must read and understand our boatyard terms and conditions before using our services - these are available online at [deanreddyhoff.co.uk/policies](http://deanreddyhoff.co.uk/policies) and from the marina office. All services are subject to availability and provided at the manager's discretion. Prices include VAT at 20%. Prices are correct at the time of printing. E&OE.

We care about your boat, whether it's afloat or ashore. Our skilled Boat Care team at Portland can help reduce the faff of boat ownership by handling the repairs and maintenance for you. Ditch the DIY and let us do the dirty work.

#### Ask our experts

If you want to know more about how to keep your boat in good running order and what to keep an eye on, you can ask our experts.

Make an appointment with our Boat Care Manager for top tips on everything from basic engine maintenance to onboard systems, seacocks, hull care, rigging and more. Take a one-to-one tour of your own boat and see it through our expert's eyes.

If you need professional help, our skilled team of boatbuilders and engineers can undertake work from gel repairs and antifouling to keel refurbishment and installing generators and bow thrusters. We'll manage everything for you, so even on complex projects you only need to make one call.

Boat Care is about making your boating less faff and more fun. Call us on 01305 866190.
